SPONSORSHIP  
OPPORTUNITIES

# SPONSORSHIP OPPORTUNITIES

Founded in 1916, the National Association of State Departments of Agriculture (NASDA) is a non-profit, nonpartisan organization representing the lead state agriculture officials from all 50 states and four U.S. territories.

NASDA grows and enhances agriculture by forging partnerships and creating consensus to achieve sound policy outcomes between state departments of agriculture, the federal government, and stakeholders.

Sponsorship by government and private sector leaders like you will be critical to the success of our policy priorities and will help write the script for our success for decades to come.

# FOUR REASONS to SPONSOR

## 1. NETWORKING

Abundant networking opportunities and interaction with meeting attendees from across the nation, including state and federal policy makers, industry counterparts, researchers, and future leaders.

## 2. DISCUSSION

NASDA is expecting record attendance at both of our annual events in 2017.

## 3. EDUCATION

NASDA Members have a broad range of regulatory and promotional responsibilities. Investing in these events provides your company with insight on emerging legislative and regulatory issues from state and federal officials.
