Single and Double occupancy rates range from \$240.00 to \$305.00 per night. Cooperstown Weather: Expect September days to be warm, typically 60-70°, and evenings to be brisk, with temperatures in the fifties, so be sure to include a jacket when packing. While most functions will be business casual, you will want your fancier threads for the President's Banquet. Also, the Otesaga requires jackets for evening meals in the main dining room.

A Special Spouse/Guest Activity Program has been planned for those accompanying registrants, and we will be sending detailed information about the activities.

A Registration Confirmation Packet will be mailed to you prior to the meeting with more information on planned activities, tours, dress requirements, etc.
