Base Grant: \$500,000
Specialty Crop Grant: \$290,000
Total Grant: \$790,000

Vegetable Research:

University of Delaware, \$145,000.
These funds were administered to the University of Delaware, Cooperative Extension for disease, yield, insect protection, and variety research.

Organic Farming:

Delaware Department of Agriculture, \$40,000.
These funds are earmarked to address issues related to Delaware's organic farming industry.

Farmers Market:

Delaware Department of Agriculture, \$105,000.
These funds provide expansion and promotion of our Shore to Store Program and Farmers Markets, which provide our producers with direct access to the consumer.
