Transportation:

There will be internal transportation from the airport to the hotel available for participants in the event. In order to make more efficient this service, you need to send us your itinerary information (airline, flight number, date and arrival hour) in the registration form.

Transportation for tours will be provided by event coordinators.

Climate and clothing recommendations :

During Summer, temperature can reach 90 F (32°C) and humidity can increase the heat sensation. During winter, temperature is around 80°F (28°-30°C), very comfortable for a long walk at the beach. During the night temperature oscillates from 60° to 70°F (19°-24°C).

March to June: Thin clothes, we suggest you to have a thin sweater, during the event and the tour because the climate is commonly windy, and formal clothing for the inauguration, reception dinner and closing event.

Tours :

On march 12th is scheduled a land tour in two Municipalities around Puerto Vallarta: Tomatlán and Cabo Corrientes with the objective to visit rural production improvement projects related to innocuousness, agriculture, livestock, fruit growing and fishing.
