

Support Fair Trade for Rural Small Business

Message to Congress:

Meat & poultry from 34 foreign countries can be freely shipped and sold anywhere in the U.S., but domestic state-inspected businesses are denied this market option under outdated laws.

Why are rural small businesses in the U.S. denied the same opportunities that are given to foreign countries?

S. 1149 & S. 1150 will resolve this inequity by allowing interstate sales of meat and poultry. It will promote fair trade, expand rural economic growth, and give consumers more choices at the supermarket.

Support S. 1149 & S. 1150
