

The National Association of State Departments of Agriculture (NASDA) President and Kentucky Commissioner of Agriculture Ryan Quarles invites you to attend the upcoming 2021 NASDA Annual Meeting, September 19 through September 22, in beautiful Louisville, Kentucky.

NASDA is a nonpartisan, nonprofit association which represents the elected and appointed commissioners, secretaries, and directors of the departments of agriculture in all fifty states and four U.S. territories. NASDA grows and enhances American agriculture through policy, partnerships and public engagement.

The success of this national event is dependent upon our local partners. As a local partner, you will have access to an unprecedented level of networking with over 300 agricultural leaders advancing agriculture at the state, regional and national levels.
