On January 1, 2019 were any goats or kids, regardless of ownership, on this operation? **No**

Will there be any goats or kids, regardless of ownership, on this operation during 2019? **No**

Where there any goats or kids, regardless of ownership, on this operation at any time during 2019? **No**

Do you make any day-to-day decisions for another farm or ranch? **No**

Would you rather have a brief summary sent to you at a later date? **No**

Practice Interview 2:

Who is responding? **Operator**

Let me verify the name, address, and phone number that I have for this operation. Is this information correct? **Yes**

Have the operator, manager, or partners involved in the day-to-day decisions for this operation changed since June 1, 2019? **No**

Were any sheep, lambs, goats, or kids, regardless of ownership on this operation on January 1, 2019; on this operation at any time during 2019; or will there be at any time during 2019? **Yes**

Who are the day-to-day decision for this operation made by? **Individual**

On January 1, 2019 were any sheep or lambs, regardless of ownership, on this operation? **No**

Will there be any sheep or lambs, regardless of ownership, on this operation during 2019? **No**

Were any sheep or lambs, regardless of ownership, on this operation at any time during 2019? **No**

On January 1, 2019 were any goats or kids, regardless of ownership, on this operation? **Yes**

On January 1, 2019 were there any angora goats or kids, regardless of ownership, on this operation?

Yes

Of the goats and kids for breeding, regardless of ownership, on this operation on January 1, how many were angora does 1 year old and older? **50**

Sheep and Goat Inventory

Practice Interviews

How many were angora bucks 1 year old and older? **3**

How many were angora replacement kids less than 1 year old? **25**

Of the goats and kids for market, how many were angora kids less than 1 year old? **15**

Of the goats and kids for market, how many were angora goats 1 year old and older (not used for breeding)? **6**

Then the total number of angora goats and kids on hand January 1 was 99. Is that correct? **Yes**

How many angora kids were born on this operation during 2019? **55**

How many angora kids died or were lost from all causes before being weaned during 2019? **6**

How many angora kids died or were lost from all causes after being weaned during 2019? **3**

How many angora goats died or were lost from all causes during 2019? **1**

On January 1, 2019 were there any milk goats or kids, regardless of ownership, on this operation? **No**

Did this operation own any milk goats or kids, at any time during 2019? **No**

On January 1, 2019 were there any meat or other goats or kids, regardless of ownership, on this operation? **No**

Did this operation own any meat or other goats or kids, at any time during 2019? **No**

What is the average value per head of the angora breeding does 1 year old and older? **\$275**

What is the average value per head of the angora breeding bucks 1 year old and older? **\$435**

What is the average value per head of the angora breeding replacement kids less than 1 year old? **\$115**

What is the average value per head of the angora market kids less than 1 year old? **\$55**

What is the average value per head of the angora market goats 1 year old and older? **\$85**

During 2019, how many kids were custom slaughtered at commercial establishments for consumption by this operation? **0**

During 2019, how many goats were custom slaughtered at commercial establishments for consumption by this operation? **0**

During 2019, how many kids were slaughtered on this operation for consumption by this operation? **0**

During 2019, how many goats were slaughtered on this operation for consumption by this operation? **0**

How many angora goats and kids were clipped in 2019? **91**

How many pounds of mohair were clipped from 91 angora goats and kids in 2019? **1500 pounds**

What was the average price received per pound for mohair sold in 2019? **\$4**

Do you make any day-to-day decisions for another farm or ranch? **No**

Would you rather have a brief summary sent to you at a later date? **No**

Practice Interview 3:

Who is responding? **Operator**

Let me verify then name, address, and phone number that I have for this operation. Is this information correct? **Yes**

Have the operator, manager, or partners involved in the day-to-day decisions for this operation changed since June 1, 2019? **No**

Were any sheep, lambs, goats, or kids, regardless of ownership: on this operation on January 1, 2019; on this operation at any time during 2019; or will there be at any time during 2019? **Yes**

Who are the day-to-day decisions for this operation made by? **Individual Operator**

Sheep and Goat Inventory

Practice Interviews

On January 1, 2019 were any sheep or lambs, regardless of ownership, on this operation? **No**
Will there be any sheep or lambs, regardless of ownership, on this operation during 2019? **No**
Were any sheep or lambs, regardless of ownership, on this operation at any time during 2019? **No**

On January 1, 2019 were any goats or kids, regardless of ownership, on this operation? **Yes**
On January 1, 2019 were there any angora goats or kids, regardless of ownership, on this operation? **No**
Did this operation own any angora goats or kids, at any time during 2019? **No**

On January 1, 2019 were there any milk goats or kids, regardless of ownership, on this operation? **Yes**
Of the goats and kids for breeding, regardless of ownership, on this operation on January 1, how many were milk does 1 year and older? **5**
Of the goats and kids for breeding how many milk bucks 1 year old and older? **1**
Of the goats and kids for breeding how many were milk replacement kids less than 1 year old? **0**
Of the goats and kids for market how many were milk kids less than 1 year old? **0**
Then the total number of milk goats and kids on hand January 1 was 6. Is that correct? **Yes**
