

National Association of State Departments of Agriculture

Subject of Policy Amendment 4:

Nutrition and Food Assistance – Continued and Increased Investment

Section Number or Title to be Amended:

Section Nutrition and Food Assistance, 5.1 Introduction

Submitted by:

Secretary Karen Ross (CA) and Commissioner Amanda Beal (ME)

Text of Policy Amendment:

NASDA supports continued and increased investments in nutrition and food assistance programs to address national food insecurity, strengthen local/regional food systems and support the overall health of individuals.

Adopted: September 29, 2022
