

National Association of State Departments of Agriculture

Subject of Action Item E:

Cooperative Agreement with USDA on the Meat Processing Grant Program

Submitted by:

Commissioner Doug Goehring (ND)

Text of Action Item:

NASDA supports entering into a cooperative agreement with USDA to comprehensively define state and USDA responsibilities in relation to current and future meat processing grant programs.

NASDA supports USDA providing block meat processor grants to state agriculture departments permitting those departments to administer those block grants as appropriate in consideration of that state's particular needs and requirements.

Adopted: September 29, 2022
