

# National Association of State Departments of Agriculture

## **Subject of Action Item F:**

State Certification and Training Plans

## **Submitted by:**

Director Chris Chinn, Missouri Department of Agriculture

## **Corresponding Policy Section and Statement:**

9.12. Certification and Training of Pesticide Applicators

## **Text of Action Item:**

NASDA encourages the Environmental Protection Agency Office of Pesticide Programs to provide, at minimum, conditional approvals of all state pesticide certification and training plans that have met the federal minimum requirements by the November 4, 2023 deadline to prevent lapses in state authority.

**Adopted: 09/13/2023**
