

National Association of State Departments of Agriculture

Subject of Policy Item 2:

Investment in Agriculture Education

Submitted by:

Secretary Russell Redding, Pennsylvania

Section Number and Title to be Amended:

13.5 Rural Education

Text of Policy Statement:

NASDA supports increased federal investment in agriculture education through grants and other incentives for schools to offer agriculture education programs and providing funding to USDA to create agricultural literacy resources that guidance counselors can use to expose students to agriculture-related jobs.

Adopted: 09/13/2023
