

National Association of State Departments of Agriculture

Subject of Policy Amendment 2:

Farmworker Housing

Section Number or Title to be Amended:

10.3 Agricultural Workforce

Submitted by:

Secretary Russell Redding, Pennsylvania

Text of Policy Amendment:

1. NASDA supports federal funding, in the form of grants and/or loans through USDA, for farmers and eligible agricultural employers to make improvements to farmworker housing for temporary and full-time agricultural employees. This includes improvements in energy efficiency to existing housing as well as the construction of new housing.

Adopted: 2/7/2024
