

National Association of State Departments of Agriculture

Subject of Policy Amendment 4:

Farm Management Resources

Section Number or Title to be Amended:

12.2. Farm Income and Production Stability

Submitted by:

Secretary Russell Redding, Pennsylvania

Text of Policy Amendment:

1. NASDA supports the creation of state block grant programs that provide technical assistance to farm owners to develop comprehensive farm management programs, including human resources services, farm administration, record keeping, and training programs.

Adopted: 2/7/2024
