

# National Association of State Departments of Agriculture

## Subject of Policy Amendment 9:

Reducing Administrative Barriers to Conservation Programs

## Section Number or Title to be Amended:

7.2. Conservation Programs

## Submitted by:

Secretary Russell Redding, Pennsylvania

## Text of Policy Amendment:

1. NASDA supports federal environmental permitting requirements for NRCS programs that are as efficient and as streamlined as possible to reduce unnecessary, duplicative, or lengthy processes that could hinder the effectiveness of conservation and preservation programs.

**Adopted:** 2/7/2024
