MEMO TO: All NASDA Enumerators and Supervisors

FROM: Charlie Ingram, NASS Program Director
Josh King, NASS Program Director
Farrah Creer, Human Resource Manager

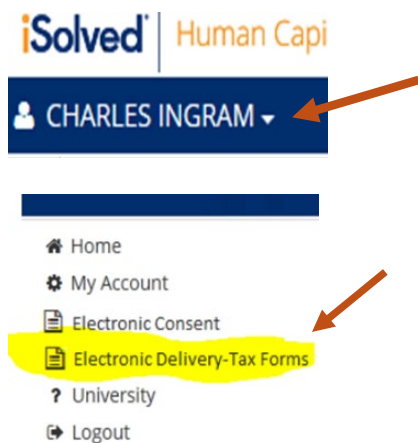

RE: Delivery of 2024 W2 Tax Statements

All 2024 W2 Tax Forms will be available in iSolved for quick and easy access. You'll receive an email from Payroll Network/iSolved as soon as they're ready. To view, download, or print your W2, log into your iSolved account, go to **Employee Self-Service**, and select the **W2/ACA/1099 Forms** tab.

If you didn't sign up for electronic delivery, your W2 will automatically be mailed to you by January 31, 2025. There's no need to request a paper copy if you didn't choose electronic delivery.

If you're unsure whether you opted for electronic delivery, follow these steps to check your preference:

1. Log into your iSolved account.
2. On the **Welcome** page, click the dropdown menu next to your name.
3. Select **Electronic Delivery – Tax Forms** from the options.
4. A pop-up will display your current selection (consent or decline) for electronic W2 delivery.

We recommend electronic delivery—it's faster, safer, and gives you instant access to your W2.

If you need to request a paper copy or have questions, please email us at enumeratorsupport@nasda.org.
