

National Association of State Departments of Agriculture

Subject of Action Item G:

Restoration of Organic Funding

Submitted by:

Secretary Russell Redding, Pennsylvania

Corresponding Policy Section & Statement:

11.10 Organic Agriculture

- 1) NASDA supports recommendations that enhance National Organic Standards (NOS) and the National Organic Program, (NOP) and efforts to increase growth of the organic industry. These efforts include, but are not limited to, increases in organic research and in the collection of organic production and market data.
- 2) Congress should provide permanent funding for Organic Certification Cost Share Assistance

Text of Action Item:

NASDA calls on Congress and the administration to restore funding to organic agriculture programs, including the Organic Certification Cost Share Program and the Organic Data Initiative in the USDA budget so that producers can continue to pursue market opportunities in organic agriculture.
