

National Association of State Departments of Agriculture

Subject of Policy Amendment 10:

Domestic Feedstock Preference in Federal Tax Policy

Section Number or Title to be Amended:

13.6. Bioeconomy and Energy

Submitted by:

Secretary Mike Naig, Iowa
Commissioner Thom Petersen, Minnesota
Secretary Mike Beam, Kansas
Director Jerry Costello, Illinois
Director Don Lamb, Indiana
Director Chris Chinn, Missouri
Director Sherry Vinton, Nebraska
Director Brian Baldrige, Ohio
Secretary Hunter Roberts, South Dakota
Secretary Randy Romanski, Wisconsin

Text of Policy Amendment:

NASDA supports federal biofuel tax policy that gives preference to the usage of domestic feedstocks for US biofuel production and establishes appropriate testing, verification and recordkeeping requirements for imported used cooking oil (UCO) feedstocks.

Adopted: February 26, 2025
