

# National Association of State Departments of Agriculture

## **Subject of Policy Amendment 2:**

Farm Business Technical Assistance

## **Section Number or Title to be Amended:**

12.2 Farm Income and Production Stability

## **Submitted by:**

Secretary Russell Redding, Pennsylvania

## **Text of Policy Amendment:**

NASDA supports the creation of state block grant programs that provide technical assistance to farmers related to agriculture-specific business development services, effective farm transitions, adaptability and risk management, and comprehensive management approaches to farm profitability, including human resources, administration and record keeping.

**Adopted: February 26, 2025**
