

# National Association of State Departments of Agriculture

## **Subject of Policy Amendment 3:**

Coordination Around Research for Emerging Technology and Artificial Intelligence

## **Section Number or Title to be Amended:**

10.5 Emerging Technology

## **Submitted by:**

Secretary Russell Redding, Pennsylvania

## **Text of Policy Amendment:**

NASDA encourages greater cooperation between USDA and public-sector research institutions in the development of resources that can aid farmers and agribusinesses to identify emerging technology, including artificial intelligence (AI), solutions that can increase their efficiency and improve their overall stewardship.

**Adopted:** Feb. 4<sup>th</sup>, 2026
