

National Association of State Departments of Agriculture

Subject of Policy Amendment 4:

Federal Tax Credit for Agriculture Conservation Easements

Section Number or Title to be Amended:

Conservation Programs Section 7.1.1

Submitted by:

Commissioner Kate Greenberg, Colorado

Text of Policy Amendment:

(add to the existing bullet point list in 7.1.1)

NASDA supports incentivizing the voluntary conservation of working agricultural land through the existing conservation easement deduction and the development of a federal tax credit for landowners who donate a perpetual conservation easement.

Adopted: Feb. 4th, 2026
