

# National Association of State Departments of Agriculture

## **Subject of Policy Amendment 6:**

The allowance of state-inspected meat products to be sold in interstate commerce

## **Section Number or Title to be Amended:**

11.12 Establishment of Production Standards

## **Submitted by:**

Secretary Mike Beam, Kansas

## **Text of Policy Amendment:**

NASDA supports the modification of existing or addition of a new USDA-FSIS program allowing meat and poultry products processed at state-inspected meat and poultry processing facilities to enter interstate commerce, provided that the state inspection services meet "at least equal to" FSIS inspection services at federally inspected facilities.

**Adopted:** Feb. 4<sup>th</sup>, 2026
